

Reset Password

To reset your eTMF password:

1. Click on your name in the top-right corner.
2. From the Actions menu, select **Change Password...**
3. Enter your current password.
4. Enter your new password.
5. Confirm your new password by entering the same text in the **Confirm New Password** field.
6. Click **Save**.

Note: You cannot re-use old passwords.
