

# Logging Into eUpload

You can log into your tenant's eUpload environment using your eTMF login credentials. To log into eUpload:

1. Access the eUpload URL. You can obtain this URL from your Business Administrator or add “/eUpload” to your eTMF tenant URL.
2. Enter your eTMF **Username** and **Password**.
3. If your environment is configured to display in a language different than English, select the desired language from the drop-down.
4. Click **Sign In**.
